**Your wedding was amazing—but *this* is the part you've really been waiting for.**

Time alone with the one you love. Whether your idea of an ultrarelaxing, super-romantic getaway involves sipping a cocktail on a private island in Indonesia, hiking the rugged New Zealand coast, or eating pasta alle vongole in a beachside restaurant on Italy's Amalfi coast, we've got some winners for you.

To experience the tiny Greek island of Therasia in all its low-key glory, splurge on Perivolos Hideaway.

# The Unresort Resorts

YOU WANT TO LOUNGE BY THE POOL OR ON THE BEACH, MAYBE GET A MASSAGE AND DO A LITTLE YOGA, BUT BIG RESORTS AND BUILT-UP TOWNS AREN'T REALLY YOUR JAM.

▲ **Chablé Resort and Spa, Yucatán, Mexico**

This stylish retreat outside the colonial town of Mérida understands balance: It has a mystical-meets-modern spa (treatments have a Mayan flair) with a cenote for soaking,

and it's home to the world's largest tequila collection.
