RIVIERA CHIC

Spread across 758 acres (307 ha) of lush, protected land, **Chablé Maroma**'s 70 villas offer the ultimate seclusion on a private stretch of powdery beach on Mexico's Riviera Maya. Each one has a spacious deck with plunge pool and indoor-outdoor showers, and interiors feature regional materials such as Xucun stone and marble. Dining showcases the best of modern Mexican cooking overseen by chef Jorge Vallejo of award-winning Quintonil in Mexico City, but don't expect any menus. Guests are encouraged to design their own using what's fresh and fabulous, including local catch of the day, steaks, and salads. There is also a big focus on wellness, and Chablé has its own sweat lodge and a 17,000-square-foot (1,579 sq m) spa. chablehotels.com/maroma
